Traditional hours are: Mon- Fri. 7:30AM to 5:30PM any dogs checking in or out, outside of these times will incur a drop off/pickup fee of \$10 dollars. This will also be added for holidays when the staff is not in the office.

Rates: *Please note that Happy Tails is a grooming salon, that offers a quiet, comfy boarding place for your pet we are not set up with runs and pens all over with dogs barking everywhere all the time like a boarding facility, we groom dogs, and offer the boarding as a convenience to our clients. Our rates might be a bit higher than multi dog facilities, but it is structured in a much quieter environment that most dogs seem to prefer.*

*We now offer playpen boarding when available, *if there are other dogs already boarding at the shop, for very small dogs*, at a rate of \$20/night. On weekends, it will be \$25/night for the playpen because staff is paid by the number of dogs on the board rotation. _____

Daycare is available with notice, during the week at the rate of \$15/day smalls, \$20/day large. This rate also applies to dogs being picked up after a boarding stay, before noon on the pickup day. Puppies may incur a \$5 clean up fee, while being trained to use pads or go outside.

Suite Rooms – we have a few suite/private rooms available for boarding, and rates are below

- **Small “Woofton Suite”** is available for small dogs at \$25/night, medium dogs at \$35/night. Two small dogs can stay in the woofton suite together for \$40/night. _____

-**Large “Pawston Inn”** is the larger suite, suitable for dogs that need more play area, or large dogs. One well-mannered large dog is \$45/night. _____

-**Double Suite “Barkleigh Bed and Breakfast”** is available for multi dog families (one large/aggressive/potentially destructive dog) or two, up to three dogs in the same room. One large and one small in the double suite is \$50/night. _____ Three dogs in the multi suite is at \$60 _____

We understand that dogs are used to certain areas, and people, and that some may express aggression and/or frustration (tearing up bedding, towels, walls) we clean up after them within reason. If your dog creates constant messes that require cleaning above and beyond typical clean up, there may be a \$5/day clean up charge assessed to the stay per day. Puppies, dogs under one year, that are not properly crate or potty trained will typically incur the same clean up charge.

I understand the rates and the charges for services provided by Happy Tails Grooming and understand there may be additional charges incurred for holiday pickup, drop off, after hours, and clean up/destruction fees.

What you should bring:

YOUR PETS NORMAL FOOD, All food must be pre-measured into serving sizes and put into Ziplock bags; you must have a separate bag for each feeding, or provide a scoop with designated amount fed and when. This is to eliminate overfeeding and tummy issues while you are away. If you do not bring your pets normal food, your pet will receive a Veterinarian recommended diet at an additional fee of \$4.00 per day.

YOUR PETS COLLAR & LEASH WITH ID TAGS, your pet will need its collar/leash for outdoor walks. **If your pet is accustomed to puppy pads you will need to supply those**, and make us aware of this when making your reservation.

BEDDING, you may bring a small blanket for your pet. But we ask that you bring stuffed beds that are clean/have been washed before you bring them. Your pet will feel more at home if it has something familiar. You can also bring a t shirt, blanket or sheet that has your scent on it to make them feel better.

MEDICATIONS, we will only administer medication orally. If your pet requires medications such as insulin, we recommend that your pet board with your veterinarian, so they have professional medical care available. All other medications must be in original current prescription bottles, labeled for your pet. This will incur a \$2.50 medication administration fee per administration, on top of your boarding charges.

We ask for a lot of information on the following forms, please be compliant and include all of the information we ask for. In order for us to offer these services we are required by the NCDVM to have certain information on file.
